Re: Freedom of Information Act Request

Dear Freedom of Information Act Officer:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552 et seq., we hereby request that the United States Environmental Protection Agency ("EPA") Region 6 provide us with copies of the following public information:

1. Copies of any and all non-confidential documents including correspondence, records, filings, and technical review (draft or final) since July 2019 related to the following Texas GulfLink, LLC ("GulfLink") applications to the EPA for a proposed deepwater port:
 - a. Prevention of Significant Deterioration ("PSD") Permit Application;
 - b. Clean Air Act Section 112(g) Case-by-Case MACT Determination Request;
and
 - c. Title V Operating Permit Application.

We would prefer electronic copies of the requested documents. We are not requesting any documents which the agency asserts are confidential or privileged. If there are any fees associated with producing the requested information, please inform us if those fees will exceed \$200.00.

I would request a prompt response to this request. If you expect a significant delay in responding to or in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

I may be reached by email at jon.schmidt@exp.com or by phone at (850) 508-7306 for any questions or for additional information, as needed, in order to help expedite the process.

Thank you for your prompt attention to this matter.

Respectfully,

Jon Schmidt, Ph.D.
Vice President
Environment and Regulatory Services
